

This collage illustrates the diversity of website design across different industries. It includes:

- Top Left:** A yellow-themed construction website for "STANDELL" featuring a large image of a yellow bulldozer.
- Top Right:** A dark-themed website for "marketing360" with a yellow bulldozer image and a "WELCOME" banner.
- Middle Left:** A white-themed website for "CATERPILLAR" with sections for "Our Services" and "Why Choose Us".
- Middle Right:** A website for "A&P Excavating Materials" with a large image of a bulldozer and service highlights.
- Bottom Left:** A website for "INSPIRATION GALLERY" featuring images of construction equipment.
- Bottom Right:** A series of five vertical panels for travel/trekking websites in Russian, showing landscapes and trekking routes.
